

DEMYSTIFYING ITAR: ADDRESSING THE BASICS OF A COMPLEX SYSTEM

MAY 10
IN BELLEVUE

Sponsored by Pacific Northwest Defense Coalition (PNDC)
and Fulcrum Associates, LLC

Fulcrum Associates, LLC

Join PNDC and Fulcrum Associates on May 10th at the Coast Bellevue Hotel to:

- Review regulatory requirements for ITAR/EAR compliance and explore solutions for satisfying applicable requirements.
- Learn how small to mid sized companies can adopt practical solutions to comply with the numerous and sometimes confusing US Export Laws and Regulations.

Demystifying ITAR: Addressing the Basics of a Complex System

This event is geared toward those who need help with the basics of understanding how to begin the development of an export compliance program, and how to manage one effectively once it's in place. Brice Barrett, Executive Director of the Pacific Northwest Defense Coalition, will provide a brief overview on the practical implications of ITAR/EAR compliance on your business, and John Graham of Fulcrum Associates will provide insights into possible approaches to applying export controls in the context of your current business processes and/or your existing quality system.

What you will Learn

- How to adopt practical solutions to comply with ITAR/EAR regulations
- How to determine applicable regulations based on company activities
- How to get started with developing a plan
- Where to find cost effective resources to assist with developing your ITAR/EAR compliant program
